Twitter messages:

Our members may tweet from suggested messages along with the above hashtag.

- **Stop privatisation of Banks**
- **Strengthen public sector banks, do not privatise**
- **Recover bad loans, no need to privatise banks**
- **All Banks are in operating profits, then why to privatise them.**
- **We oppose privatisation of Banks**
- **Bank employees and officers to observe 2 days strike on March 15th 16th to oppose bank privatisation**
- **If private banks are more efficient, then why so many private Banks collapsed in the past.**
- **Major loan defaulters are private corporates, why Govt wants to hand over our Banks to them?**
- **Privatisation means attack on job security – we oppose privatisation**
- **Privatisation means abandoning social banking – it is anti-people.**
- **Etc. etc.**

Above are just sample messages and members should use different but only relevant contents in other messages also
