BANK NATIONALISATION DAY – 19TH JULY, 1969 - 2021

Twitter Campaign today

As per our programme, all our unions and members are requested to undertake Twitter campaign today.

Common Hashtag is

#BankBachao_DeshBachao

Twitter messages:

Our members may tweet from suggested messages along with the above hashtag.

- Strengthen public sector banks, do not privatise
- Stop privatisation of Banks, not needed in our country
- Recover bad loans, no need to privatise banks
- All Banks in operating profits, still why to privatise them.
- We oppose privatisation of Banks
- Are private Banks more efficient? why so many private Banks collapsed in the past.
- Private companies are the major NPAs, why hand over our Banks to them?
- Privatisation means attack on job security – we oppose privatisation
- Privatisation means abandoning social banking – it is anti-people.

Above are just sample messages and members can use different slogans for their tweet but it should be relevant to the issue of our campaign.
